

Come Join Our California Operations Team!

Looking for Project Managers & Superintendents for Solar Installation & Commercial Renovation Projects

Immediate openings available! We're actively hiring Commercial Project Managers and Superintendents to lead and oversee commercial solar installation & renovation projects across San Diego, Los Angeles, the Bay Area, and inland toward Sacramento.

We have active job sites now and multiple projects scheduled over the next 24 months and beyond- this is a long-term opportunity to grow with a company at the forefront of California's clean energy movement.

- ✓ Northern & Southern CA
- ✓ Full Time
- ✓ Commercial Solar Projects
